

Squares Program

YOU CAN HELP — YOU CAN MAKE A DIFFERENCE

These cozy and colourful creations are distributed widely to adult and pediatric cancer patients. You'll see their knitting baskets in waiting rooms everywhere! Drop by to select one of these cozy and colourful creations for yourself or for someone else.

Here are the details needed to get started in contributing to the Squares of Care program:

- Squares should be 6 1/2" or 17cm, although the group can work with a variety of sizes.
- Generally, 35 squares are used for a blanket (7' X 5').
- It is suggested that knitters use a #7 needle or 4.5. If crocheting, please make it a 6 1/2" square.
- Please work the ends of the yarn into the squares, our square ladies use colourful yarn to sew the squares together.
- Knitters are asked to use Sayelle yarn rather than wool (no reactions that way).

There is a large group that works on all aspects of the blankets each week, including washing and packaging, so all you need to do is drop off your squares and they can take it from there.

Where to drop off squares:

You can leave them in the baskets for pickup, with the information desk at the Henderson or Juravinski Cancer Clinic, or hang them off the Wellwood office door if the door is closed.
